

*A laboratory-field training course
at the University of Hawai'i at Mānoa*

Microbial Oceanography: Genomes to Biomes

May 29 to July 6, 2012

Application Deadline: Friday, January 27, 2012

Sponsored by the Agouron Institute, the Gordon and Betty Moore Foundation, the University of Hawai'i at Mānoa's School of Ocean and Earth Science and Technology (SOEST), the National Science Foundation (NSF), and the Center for Microbial Oceanography: Research and Education (C-MORE).

The 2012 summer course is offered to graduate students, postdoctoral scholars, and early career faculty with interests in marine microbiology and biological oceanography. The course will be led and directed by Matthew Church, Edward DeLong, David Karl, Michael Rappé, and Grieg Steward.
